## *The Workshop*

**Chinese face reading can be used to identify signs of Qi, evaluate Shen(Spirit) and recognise markers for specific diseases. This makes it a useful assessment and diagnostic tool for practitioners of every therapeutic discipline.**

**In this interactive workshop students will learn how to read signs on the face indicative of and important to our state of health - emotional, psychological, spiritual and physical. There will be discussion about the causes of Aging and the possibility of Facial Rejuvenation. Like the Pulse and Tongue the Face can be used in Practice as a valuable diagnostic tool and as an adjunct to other techniques.**
